

Appendix 5: 1998 Science Team Meetings And Workshops

Science team meetings

Tropical Rainfall Measuring Mission

TRMM Meeting, NASA GSFC, May 11-12, Chris Kummerow, Chair.

TRMM Meeting, Pasadena, CA, November 16-20, Chris Kummerow, Chair.

Climate and Radiation Branch

SWAMP Workshop (EOS-AM1), Valley Forge, PA, May 1998, Yoram Kaufman, Chair.

SWAMP Workshop (EOS-IWG), New Hampshire, November 1998, Yoram Kaufman, Session Chair.

Atmospheric Experiment Branch

Atmospheric Experiment Branch Galileo Team Meeting, NASA GSFC, February 26-27, Hasso Niemann, Chair.

Planet-B NMS Instrument Team Meeting, NASA GSFC, May 14, Hasso Niemann, Chair.

Workshops

Sounder Research Team

Interdecadal Variability Workshop, Williamsburg, Virginia, September 23-25, Vikram Mehta, Chair.

Data Assimilation Office

Satellite Data Assimilation Workshop, April 21-23, Ron Errico and Joanna Joiner, Co-Chairs.

DAO and Instrument Team Mini-Workshop, November 30-December 1, Man-Li Wu and Siegfried Schubert, Co-Chairs.

Mesoscale Atmospheric Processes Branch

Advanced Geostationary Studies (AGS) Workshop, University of Maryland Conference Center, March 23-25, 70 attendees, Robert Adler, Chair.

First Multi-Channel Doppler Lidar Workshop, December 14-15, 1998, University of Maryland Conference Center, 20 attendees, Matthew McGill, Convenor.

Climate and Radiation Branch

EOS Validation Workshop for PM-1, University of Maryland Conference, Center, April 1998, David O C. Starr, organized and General Chair.

CLIVAR Asian-Australian Monsoon Panel, Kyongju City, South Korea, April 1998, William K.M. Lau, Chair.

Gordon Conference, Solar Radiation & Climate, New Hampshire, June 1998, Warren Wiscombe, Chair.

Monsoon and tropical climate variability, St. Michaels, MD, August 1998, P. Webster and William K.M. Lau, Co-Convenor.

Decadal Climate Variability, Williamsburg, Virginia, September 1998, Vikram Mehta and William Lau, Co-Chair.

Atmospheric Chemistry and Dynamics Branch

GRIPS Workshop, March 3-6, Greenbelt, MD, 25 attendees, Steven Pawson, Chair.

UARS Science Team Meeting, March 16-18, Pasadena, CA, 110 attendees, Mark Schoeberl, Anne Douglass, and Charles Jackman, Co-Chairs.

1998 Conference on the Atmospheric Effects of Aviation (AEAP), April 27-May 1, Virginia Beach, VA, 250 attendees, Richard Lawrence and Randy Kawa, Co-Chairs.

Global Modeling Initiative Science Team Meeting, May 18-19, NASA GSFC, 30 attendees, Randy Kawa, Chair.
